DEPARTMENT OF COMMUNITY STUDIES

TO WHOM IT MAY CONCERN

This serves to testify that MELLISA C MUKARO student registration No. R241860M is a full time student studying for a Bachelor of Science Honours Degree in **Sociology and Social Policy** in the Community Studies Department at this University. The student will be in 3rd year from **August 2026 to July 2027.** The Bachelor of Science Honours Degree in Sociology and Social Policy being offered by this University is a four-year programme consisting of three years full time classroom study plus one-year work related training, which is in form of Work Related Learning. During the work related training students work for a company, organisation or government department to gain vital experience for their future careers in the work place.

As a department we strongly feel that such work related experience is essential for maintaining and developing the quality of the work force in Zimbabwe, already regarded as one of the best in Africa. Accordingly, the Community Studies Department of Midlands State University wishes to enter into partnership with relevant prospective employers for the purposes of producing graduates who are relevant to the needs of the industry. We are grateful to you as the employer for making this opportunity available to a Sociology student. Please feel free to contact the Department should you need any further information on this matter.

Yours faithfully
